

# PEAK

RESTAURANT

The Peak Restaurant wine list is an evolving list of both dedication and passion from our Sommelier. The goal is to provide a list that lets you explore the legacy that Spicers Peak lodge has created; "the best of Australia". This allows us to showcase some of the world's best wines and wine regions.

We invite you to discover our wine list, while seated 1100 meters above sea level on this stunning mountain range on traditional Bundjalung land. Your culinary experience in the Peak Restaurant will be relaxed with an intimate and engaging service. We have intentionally designed an easy to follow, simplistic list to encourage conversations about the wine. The team want to discover your personal preferences and curate a memorable wine experience like no other.
